COCO-MAT
sleep on nature

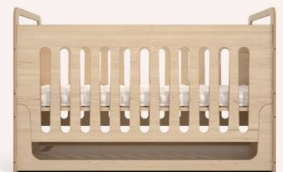

"When we founded COCO-MAT back in 1989, we shared a common dream; offer blissful sleep to every person who sleeps on our beds, our pillows and our mattresses.

Using Nature's wisdom as a guide and source of inspiration, we created innovative products and home furniture, made with natural materials.

Our company since then has grown to become a global brand with stores in 17 countries worldwide.

Many things have changed, but our dream remains the same. Every time you wake up happy, after a deep, restful sleep, you make it come true"
